Dear Ikebana Friends,

It is September and there is a scent of flowers in the air. I am starting out in my new post, and I want to extend a very warm welcome to all of our members. After reviewing the program for the year, I am pleased to say we have exciting activities planned ahead for you.

I am determined to see this year be a wonderful one for each member: utilizing all the talents that all of you possess - a talent like no other. Working together we will see wonderful results.
