

Ikebana St Petersburg Chapter
Ichiyo Workshop
Thursday January 23, 2020

Valerie Eccleston, Executive Master Ichiyo School Chapter 1 Washington DC

Workshop #1 9:30 am-12 pm

GLASS CONTAINERS with the focus on water.

We will be working with transparent or colored transparent glass containers, moribana or nageire style.

The Ichiyo School does not use kenzans in glass containers, unless they are opaque, so various other forms of support will be studied.

Lunch 12 pm Complimentary for all Participants

Workshop #2 1 pm- 3:30 pm Driftwood

DRIFTWOOD -- Non living material.

Driftwood can be wood from the ocean and lakes, or thick branches and roots from the forest.

We will study the use of driftwood in three types of arrangement.

1. As an accent or line.
2. As a support for material.
3. As a landscape.
